Career Objective

Passionate and driven individual focused on building a career by contributing strong work ethic, analytical thinking, and teamwork to organizational success. Committed to continuous learning, problem-solving, and professional growth in dynamic environments.

Area of Interest

- **Machine Learning** - Speech Recognition, ML Concepts
- **Data Science & Analytics** - Exploratory Data Analysis
- **Web Development** - Backend, Frontend, Web Frameworks

Education

Bachelor of Technology in Artificial Intelligence and Data Science

Dr. Mahalingam College of Engineering and Technology, Pollachi | CGPA: 8.92 (till 5th semester) 2023-2027

HSC | Excel Central School, Kanyakumari | Percentage : 89% 2022-2023

SSLC | Excel Central School, Kanyakumari | Percentage : 85% 2020-2021

Skills

Technical Skills

- **Programming Languages:** Java, C, Python
- **Database Tools:** MySQL, Power BI
- **Machine Learning:** LLMs, ML-Based Algorithms

Soft Skills

- Time Management
- Analytical Thinking
- Adaptive Learner

Projects:

Multilingual Document Authentication Using OCR | Completion : 100% November 2025

- Detects forged documents such as Aadhar and PAN cards using OCR.
- Analyzes key document features to generate ELA score, noise level, and authenticity result.

Who Spoke When? - Speech Diarization | Completion : 90% September 2025

- Extracted MFCC features from multi-speaker audio recordings.
- Applied k-means clustering to segment and identify different speakers.

AI-Based Speed Regulation in EVs | Completion : 80% March 2025

- Developed a real-time speed regulation system using Python and OpenCV.
- Implemented object detection and distance estimation for dynamic speed control.

Internship

Techvolt Softwares, Data Science Intern, Coimbatore June 2025

- Performed EDA on flight data, revealing trends in middle-aged and senior user behavior.
- Supported segmentation strategies through insights from data preprocessing and analysis.

Certifications

- Awarded for participation and contribution in TANCAM's Hackathon – Tnwise 2025, KCT, Coimbatore March 2025
- Completed training in web development from Corizo learning platform February 2025
- Certified in a one-day national workshop on full-stack development from CIT, Coimbatore August 2024

Achievements

- Proficiency Award for securing 3rd Rank in the Academic year 2024-2025 April 2025
- Made it to the top 50 teams out of 300 in the Tnwise Women's Hackathon March 2025

Co-Curricular/ Extracurricular Activities

- Documentation In-Charge, INVICTUS – Department Association of Artificial Intelligence and Data Science March 2025
